“ *I just can't tell your how heart broken I was when I heard of Fred passing. my daughter cried and as I fought back the tears trying to be strong for her the pain and the sting I felt was like if one of my family member had passed. What a gifted man with his talent to make you look so upscaled after he cut your hair. Every time I seen Fred we always gave each other a hug as distant friends would address each other because of our friendship. To his family we are so sorry that we missed Freds passing. may the lord god of us all bless Fred for his kindness and his love for mankind. yours truly JOHN D HANCE*

“ *Fredrick was an angel on Earth. Such a good man, he inspired all those around him. He found the beauty in people and brought people's beauty to the surface. He loved his family deeply and only thought of others around him. He was so generous and kind, he brought out the best in others when they were with him. Losing Fredrick is a loss to our world but heaven's gain. Such a kind and gentle soul, he will live in my family's hearts forever.*
