“ *We have known George since 1984 when we moved in, i used to watch his son, we will miss him, he loved to wave to us, rest well my friend.....*

Mesta Family - November 09, 2011 at 12:00 AM

Thank you Mesta Family for your remembrance of my dad. I will forever remember how when he spoke with such enthusiasm he would wave his hands around as he would speak. He was always full of energy the life of every gathering. I miss his laugh today as I think of him on his birthday and the 13 years since he's been gone.
