“ *Bee & I wish to send our condolences to your family and express our sorrow for your loss. We were shocked on Friday afternoon when we learned of Gladine's passing. I feel bad that we missed the service.*

We go back to the late forties when we were close friends and had such good times together at the Turlock reservoir.

It's times like this when we realize how valuable good friends are during our short time on earth.

Sincerely, Bee & Jim Hapgood
