“ *I am thinking of you at this very sad time. I know how devastating losing a child can be and my heart goes out to you. The little that I knew Grant, my memories go to his wonderful personality and how absolutely adorable he was. Love to all of you, Your cousin, Lydia*

“ *So sorry to here about Grants passing. We became friends thru the ski patrol at Dodge Ridge. We took the repeat certification class together and traveled together for training. I hadn't seen him for some time but thought of him often. Let I saw him he was going to be a dad and he seemed thrilled!*

My sincere condolences to the family and you are in my prayers. I really enjoyed the time spent with Grant. God bless you all in your grieving. The world is a better place because of Grant!
