“ *In loving memory of Helen "Bunny" Abraham, we treasure her generous and loving friendship during our many decades as neighbors in San Francisco. Helen was blessed with a love for music, could play the piano by ear, and was invited to sing the Star-spangled Banner at a SF Giants game in Candlestick Park. She was always impeccably dressed and ever-ready to pick up the dinner tab for a person or couple with whom she had struck up a conversation during her many dinners out. We'll miss her!*

“ *Helen's parents (late Paul and Elizabeth) were members of the St. John Assyrian Presbyterian Church of Turlock, CA during the pastoral ministries of late Rev. Stephan Khobyar and late Rev. Daruis Youhanna. According to the church records, they became church members on November 3rd, 1955. In addition, it seems John and Bob (Bobby) later on became the church members in year 1956. (Rev. Edward William Eissabake, Pastor of the St. John).*
