“ *My husband of almost 30 years and father to our son Brandon was the most loving, kind, generous and thoughtful person. He was always thinking of others and made sure his wife and son knew he loved them so much each and every day. He was such a genuine friend and family man who had the most beautiful smile that lit up any room he was in and always made any situation better with his smile. We love you and miss you so much each and every day.*
