“ *Our condolences to the family. We frequented the Rusty Red Grill often and enjoyed not only the food but also speaking with Jack and his children. Jack gave off such a kind and gentle energy that it made it so easy to connect with him. He always made us feel welcomed. My boyfriend has memories of his conversations and interactions with Jack. We just found out about his passing and were deeply saddened. Please accept our condolences to his family. Sara and Adrian*

“ *We are so devastated and shocked to hear of Jack's passing! I grew up loving Papachino's and was sad to see Jack sell the restaurant and move out of state. It was such a joy getting to experience his return and Jen and I have thoroughly enjoyed Rusty Red! It's been so great to see the kids working alongside Jack and we've had such high hopes for your continued success and many happy years! Our deepest condolences to the kids and the whole family! Jack is already greatly missed!*

I am so sorry for your loss. I made a habit of visiting the restaurant at least twice a month. I drove by this evening and saw it was closed and then heard what had happened. What a shock. There is no greater testament of the character of a man than his children. He loved his children very much and would always share their accomplishments with me. God bless and I am so sorry for your loss.
