“ Jackie loved her dogs. I met her several years ago at the dog park. She was a great friend to me during a challenging time. She came over for Thanksgiving dinner one year and we grabbed lunch a few times. I'm going to miss her. Rest in peace Jackie.

“ I got to know Jackie when she and I would meet up at the dog park every morning a few years back. I'm so sorry to hear of her passing. Rest in peace, Jackie.
