“ *I didn't know Jaqueline but my family and I were driving on Hwy 99 when the accident happened we drove by at the exact moment they were laying her down on the back of the pick up. From that moment my husband and I began praying a rosary for her and we continued to pray until we got to our destination. I am sincerly sorry for your loss but there is no doubt in my mind that she is now in heaven watching over you. Our prayers continue to go out to you family.*

“ Jacqueline was a sweet and gentle soul. She touched so many lives and will be truly missed. I loved being her teacher last year. The thing I remember most about Jacqueline was her beautiful, long, thick hair which I always asked if I could borrow some. She always told me no because mommy liked it long. Jacqueline came to school everyday in pink...her favorite color. May God be with her family and know now that Jacqueline is flying angels.
