“ Kaka, you were such an inspiration to me. I will always remember growing up with your constant shower of generosity, love and support. Later you formed such a trusting friendship with Moon. It is so hard to believe that you are no longer around to continue that on for the many years ahead. I missed you so very much this last visit. I missed your daily visits, your humor, the laughter and your loving care.
The memories we have of you are very special and will live on forever in our hearts. You are dearly missed.
We love you kaka!
