

Jennifer Lynn Lourenco

September 6, 1979 - December 15, 2024

Jennifer Lynn (McClelland) Lourenco was born September 6th, 1979 in Hanford, California. She was our sweet, kind and oh so loving sister and daughter. She moved to Turlock after high school where she studied at CSU Stanislaus. During that time, she worked at Albertsons, where she met Daniel who also worked there, and the rest is history. She had always wanted to be a teacher, even as a child. Playing house for her always meant she was a mom or teacher. To say Jen loved her family, friends, students and church community would be an understatement. She poured love into everyone and everything she encountered. She was so proud to be a part of such an amazing and loving community in her new hometown of Turlock. She was a friend to all, always with a smile and a kind word. She always wanted to help the underserved. She became a special needs teacher, where she was patient and kind, representing her students' needs without fail. This ultimately led to her receiving Teacher of the Year for Sinclair Elementary for the 2023/2024 school year. She and Daniel were very involved in their children's activities, supporting each one's identity, which meant spending their days driving back and forth between soccer, FFA/4H, cross country, etc.

She leaves a hole, never to be filled, and the aching hearts of her parents Linda and Dennis McClelland; brother Jason and Trish McClelland; and the many nieces, nephews, friends, family and students whose lives she made better.
