“ *Mr. Ragsdale was my instructor at the Institute of Technology, and he was a great teacher in every sense of the word. He made sure we truly understood what we were doing before we ever stepped out into the field. There were nights we stayed until 11:30 PM because he wouldn't let anyone leave until everyone got it right.*

If we struggled, he would send us back to the chalkboard again and again, not to embarrass us, but because he cared about our success. Even when it was hard, he never gave up on us—and because of that, we didn't give up on ourselves.

Thank you for all the training, patience, and dedication you gave to your students. Your lessons carried far beyond the classroom.

May the Lord bless your soul. 🙏

“ My sincere condolences to Jerry's family. I played a lot of baseball with Jerry and he was a wonderful teammate, besides being a talented catcher. I got to know him after his playing career even better through his HVAC business. Jerry went above and beyond duties as a small business owner. Jerry and Nick came to my house late one winter night and fixed my old heater, when my first two children were born and we were very cold. Jerry just did it and no questions asked after I called him. That's who Jerry was and always was proud of his kids. Rest in peace Jerry.

“ I too enjoyed many fond memories of playing football and baseball at Turlock High with my friend Jerry Ragsdale. Jerry was always a stand up guy. He kept his word and would do whatever he said he would do. It was great to see Jerry again at an event at Jura's Pizza last year. He will be missed. My prayers are with the family.
