“ *My sincere condolences to the Lopes Family. And I have hope toward God, which hope these men also look forward to, that there is going to be a resurrection of both the righteous and the unrighteous. (Acts 24:15) This future will be happiness to us because Jehovah God longs to bring back to life those who are in His memory and to see them live on earth again. There will be perfect health, for no resident will say: "I am sick." The people dwelling in the land will be pardoned for their error. (Isaiah 33:24, jw.org)*

Please keep these promises of our future close to your hearts, especially when you think of Jess.
