On Behalf of his Sisters(Rosie, Clara, Rita and Alice) and Brother Steve*

*We're sending a dove to Heaven
with a parcel on its wings be careful
when you open it, it's full of beautiful
things, inside are kisses wrapped up in
a million hugs to say how much We miss
you and to send you all our love. We hold
you close within our hearts, and there
you will remain to walk with
us throughout our life, until
we meet again Brother Jess. Love*

“ It’s difficult to believe you are gone, the memories are vivid in our minds. There are so many to share, our parents going to the dances for New Years and we would all pile up on the living room floor, recliners if not occupied. And in morning Nana making tortillas. Crusing around in Charger and the black and white car look like skunk. Lol, but, one i shall cherish is when Tony and i got married, and you were to help clean up, right. And we had to take the elders home cause everyone else left. When we got to my Mom and Dads, there was party in packing house and you wanted to go dance, well we went inside house you returned covering your butt, why, you split your pants. Velma was back at motel, and you sat in middle of front seat and said, “isn’t this cool, we are all going on honeymoon”, got to motel you did not know room number, you stood in middle of parking lot, yelling, Velma, Velma!!! So many more, although you are not physically here, you are now present with the Lord and our Family. I shall miss you. Make room for us Jess, until we see each other again, We Love You Primo, Tony, Sally and Family...
