“ *I had the privilege of having Joan as my wonderful sister-in-law since my teen years. Rich, Joan, my husband and myself double dated many times. We spent many hours out to dinner, movies and bowling with our parents. Joan has not only been a sisters-in-law but also a good friend! She was there for me when our parents passed and when I had my son. Joan and Rich were there for me throughout my life. Joan was a fantastic wife and mother and a true friend. I will truly miss her! I not only lost a warm and wonderful sister-in-law but a wonderful friend. Love you Joan!*

“Joan is my sister-in-law of over 55 years. We never had a harsh word.

Early in Rich and Joan's marriage they lived close to me. When I walked home from school I would stop at her house for a cup of tea and visit with my nephew. I really enjoyed that!

Later in life she opened her home to me when I was young and needed a place to stay!

She is an awesome wife to my brother and an adoring mom!

On numerous occasions I would visit Rich and Joan in California. Joan is a great hostess to all her guests. Joan, you were loved and will be missed! I will see you again someday I'm sure!

“So sorry to hear of Joan's passing. I really enjoyed golfing with her. She was so supportive when she and I were working on getting our veins in our legs fixed.

Love and prayers ❤️🙏
