“ *John was the most thoughtful AMZAINING papa of all time! His heart was one of a kind just like his soul! God you really did break the mold with the creation of this son. He taught me not only the up most kindness and love but the true meaning of unconditional love! I pray that I can keep that meaning and thoughtful teachings going in these next generations of Dupzyk's and kids throughout of family tree. I am blessed because of you my dearest Grandpa!*
