

Joseph Hermis

October 5, 1978 - January 21, 2014

On this day, Lord gained an angel of a different kind; one who lit up a room, one who was the calming of a storm, one who had a smile so contagious. His company was craved at all times and will continue to be. Osi was a man of intellectuality, an man who's presence will be truly missed but also a man who's purpose will be roaring through our lives forever. Our Superman and our treasure, may you now lay your head to rest.

“ *Joey is such a beautiful person and so full of love. He is going to be a perfect angel and probably already got his wings! He will be so missed. This world has lost a truly sweet and good man.*
