“ *I just wanted to give my condolences to the family of Mr. Macklin, I had the honor of getting to know him when he would come into my lab to have blood drawn, I was sad to hear he had passed, he was a very nice man, who always made me smile, I will miss his short but sweet visits here at the VA Clinic in Merced.*

“ I only had the honor of meeting this kind soul once but that one meeting told me everything about him. He had a twinkle in his eye and his beautiful laughter filled the room all while suffering. Tammy you my friend are just like your Dad, joy in your soul and laughter in your voice. Until you meet again he will stay besides you caring for you always. Lord please watch over this precious family and hold them tight while they move forward. In His name we pray. Amen 🌹

“ Kathy and family, I am so, so, sorry for your loss. I know Joe was always going to be your soul mate. I loved both of ya's. I just wish we didn't live so far apart. But you know my heart is with you right now and always. I'm here if you need to talk. Consider my arms wrapped around you right now. Love always to you and the family. Love Karen
