“ *Joyce was a friend to me. Always welcoming and honest with me. I worked with her at Ponderosa High School and the El Dorado Union High School District for years. We always had a good time and I miss her friendship. So sorry for her family's loss. Rest in peace my friend. Robin Cacioppo.*

“ *I am so glad I was able to attend the service today for Joyce. I was a co-worker and friend of Joyce for many years. She was positive, worked harder than most, steady, reliable, loyal and always ready for an adventure. In her last email to me she asked if I wanted to renew our subscription to B Street Theater.*

Joyce's grand niece said something today; Joyce was fiercely independent, and she was until the end. It is a relief she is pain free but I do wish I had the opportunity to say thanks for the friendship, support and help over the years.

“Joyce was an Assistant Principal when I came to Ponderosa in 1985, and I learned so much from her. She was solid, a hard worker who didn't seek the spotlight, always striving for the best outcome for kids and for the staff. We spent many hours together at committee meetings, extra duty assignments and in everyday conversation. We could all count on Joyce for so many reasons. She was an excellent teacher, administrator, mentor and friend. And she will be missed by so many.

“I met Joyce in 1974 at El Dorado HS. She was teaching Home Ec and i was "the new counselor". Joyce had a great perspective about education, and loved the kids she interreacted with every day and every year. She was unflappable, whether we were moving (again!) during reconstruction of the County High School, scheduling for double sessions, planning graduations or chaperoning a dance. What a professional. After retiring, she stepped up to keep things organized for our breakfast group and other gatherings. She was a good and reliable friend, a listening ear, a trusted colleague. I will miss her. May choirs of angels sing her to her sleep.
