“ *Aunt Joy- You will be missed dearly. I only had the pleasure of meeting you 1 time, but the phone calls were always sweet. I was always happy to hear from you and your positive thoughts. May God Bless You and Your Family. There is one more thing...Please take care of Grandma Fowler. She passed May 2, 2013. You two will now be able to be together with no health issues nor monetary issues to stand in the way. See you there one day (hopefully not for at least 60 years). We all love you!*
