“ *He was a good husband, dad, grandfather, and a good man and he will always be loved and missed very much. I was blessed to have been able to spend time with the family and go to the casino a couple of times with them. Thank you for giving me that opportunity to go and have some fun with him and his family. I love you all, your family is always in my thoughts and prayers. I'm sorry I couldn't be there today and I feel blessed I was able to go to the viewing yesterday. If you need anything just let me know. Love you all very much*
