

## Judith Ann Bell

July 4, 1941 - September 3, 2021

Judith Ann Bell, age 80, passed away peacefully on September 3, 2021, with the love of her life, Len Bell, by her side.

She was the only daughter of Carl Ford, born on July 4th, 1941, in Indianapolis, Indiana, and lovingly raised by her grandparents, Vina and Omar Ford. At the age of 4, she moved to Southgate in Southern California and later attended Southgate High School.

Judy loved making a beautiful home, and later made a career sharing this love as both a Real Estate Agent and Loan Processor.

In 1982, she met her dear husband, Len Bell, and moved to Northern California where they raised their three sons. Judy loved her 7 grandchildren with all her heart and was known for never missing a birthday or holiday that didn't include a card to tell them so.

She had a keen eye for the weather and loved both learning and sharing this passion with her family. She was a sharp and quick witted card player, who frequently proved so with her favorite game Spite and Malice. The researcher and keeper of family history, she meticulously cared for the inherited antiques of many generations with the skill of an archivist. Two golden retrievers, Maggie and Brandy, held a special place in her heart.

Len and Judy both loved the water and created many cherished memories together on the coast. And in recent years, she spent many sunny mornings on her porch reading her Bible and praying.

Judy is survived by her husband, Len Bell; her sons, Robert and David Bell;

her stepson, Jeff Bell; and 7 grandchildren, of which the littlest grandson would like to add: “I love you bunches too, Grandma.”
