“ I have known and worked with Julie at the Tracy Post Office for nearly 30yrs. Over half that time we worked alongside each other at the main office before she left to work at the annex across town. Julie made work alot more bearable for me to come to work. Julie was down to Earth, easy going conversations with just about anything and anyone. We talked alot about family, our kids as they grew up and just things in general. That was uniqueness of Julie, for she made me forget working while i was working, if you know what I mean. We laughed alot about stupid shit alot of people wouldn't understand. Julie was a very caring and loving lady, but she can either deal you in or out. A solid foundation built from friendship, trust, respect and honor on simple principles. Those 30yrs has truly gone by in a blip. I will always hold dear all the memories of Julie plus all the memorable times of uncontrollable laughter. Her passing is still hard for me to believe. Julie was more to me than just that person working next to me, more than just a co-worker. Julie was my friend. It was, IS, an HONOR to call myself your friend. I will miss you. MLH&R Julie.....R.I.P.
Sincerely,
Ernie "ERNDOGG" Romo

“ Condolences to entire family. I will forever cherish our car rides in the mornings to work. We would laugh and have our coffee. You were my trainer when I came to the Post Office. While you were training me I saw my life flash before my eyes on those back roads as you did 70 MPH. 🚗🚗🚗 The day we were riding to work in your little white car and it was windy and you were flying and we hit a bump and I flew up hit my head and hit the window and left lipstick on your window will forever be my favorite. Laughing til I was crying. I will miss your laugh and the good times at Linda's house. A beautiful person taken way too soon. RIP Beautiful Julie💔
