“ I hope this makes it to Kay’s family. I am 77 years old now but I still have such wonderful memories of Kay. She was my babysitter when I was a child. I remember her and your Dad taking me to my first drive-in movie “Carmen Jones” with Dorothy Dandridhe and Harry Bellefonte. And their wedding was so magical for a little girl. All the bridesmaids wore different colored gowns with full skirts. It was so beautiful and she was breathtaking❤️. I think we met because her good friend Jane Venem Rubin worked for my father , just out of high school.
