“ *Phyllis and I are so sorry - we know you are walking the deepest of valleys that life sometimes offers. Praise the Lord kayla is now unshackled from pain and with the Lord! We will pray that the agony of this loss be tempered with the joy of knowing there will be a glorious reunion one day! A very special child was entrusted to a very special family and eternity will mark the love, care and sacrifice so beautifully role-modeled! May you all know an abundant measure of His Grace and Presence in these difficult days! Roger & Phyllis*
