We are so sorry about the passing of Keith. I know there will be a void in your life, but we pray for you and his family.

“ *I cant quite believe I wont see you again. It seems like I have known you most of my life. You were such a cute and sweet kid with those twinkling eyes of yours. I was just thinking of you last week and wondering why I hadnt seen you around. If only I could have seen you just one more time. I pray that you have found peace and that you are together again catching up with your beloved brother. You will always be a cherished memory to me and I feel so blessed to have had you in my life, even if it was for just a short time. God bless you and your family. I will miss you forever my friend!*
