“ *Auntie was such a kind happy person. I do not think I have ever seen her upset. She made me the best British breakfasts in England. I love and cherish all our memories*

“ *Our mother hands down always was the most compassionate and forgiving , loving human being that I have known all my life. She gave up her comforts and conveniences to make sure that we sibilings , Inder, Chander( me) , Meena and Rajesh Saini always got the comforts first. We will miss her passionately . Oh dear god , please give her comfort and the rest she deserves. Love you my dear mum. I love you.*
