“ *We were truly sorry to read about Larry's passing in the Salinas Californian newspaper. Roger did not know Larry but graduated from high school with Leigh.*

I, though, have fond memories of Larry when we were kids living on the same block of Rainier Dr. If my memory serves me right, I recall him laughing a lot. Leigh, Larry, and whoever was around, always joking and having a good time. I regret that we lost touch, but Leigh did keep us informed.

Our thoughts and prayers are with all of Larry's family and friends during this difficult time.

“Dad, it's only been a few days since you have passed. I still have mixed emotions. I'm happy you are no longer in pain but very sad that you were taken far to young. I love and miss you. Miranda and Nicholas are gonna miss their papa's smiling face with funny stories and sound effects. Until we see you again :). Love you!
