“ We will miss you uncle Leonard, you were always very close to me and my family. We always had fun time cutting apricots and on our summer vacations camping trips. You were always the real life cowboy in the family. We love you and will miss you. We send our love and deepest sympathy to your family because they are the ones suffering now, you are with our father in heaven and have no more worries. We will all join you some day in heaven. Love Diane and the Stamp and Sorich Famiy
