“ *To the most beautiful mommy in the world. My heart breaks without you. There aren't words to describe the amount of pain that I feel in my heart, it is just unbearable. Although the grief may be overwhelming at times, I know that you are always with us. I know that you are in no more pain and are celebrating with Jesus. Mommy, I love you so so much. I can't wait to see you again and run into your arms. I love you mommy. <3*

“ I wish to send my sincerest condolences to Leticia's family. Leticia was my student when she first arrived from Mexico in the 5th grade. I will always remember her for her quiet, loving spirit. She was a top student who excelled in all subjects. She learned English very quickly and had great successes in school. Years later, my wife and I were honored to perform the music at Leticia and David's wedding. Leticia will live on in the hearts of all who knew her. Rest in peace, Leticia, and God Bless.

Sincerely,
Don Grishaw
