“ *Linda Baylis & I worked together for many years often sharing office space. Linda had a wicked sense of humor and as office mates we had the usual love/hate relationship but no one could doubt the love & devotion she had for her children, Peter & Jennifer & the sheer joy she had spending time with both. I only heard about her passing a few minutes ago or I would be at gravesite service. "Late as usual" Linda would point out. I sincerely hope Linda's retirement years were joyous. Rest in peace. “ I love this picture of her. I took it when I took her to the Grand Canyon for the 1st time. We had so much fun and mother daughter time on this trip. She was absolutely the best mother a girl could ask for.
