“ We were four Seibold children, two boys and two girls. My sister, Lois passed Sun. That leaves me the only one left. God has blessed us with long life and seen us through many things. I will miss Lois so much. She always came to me with her problems, thoughts, or just feel what I thought. Then make up her own mind. Yes we both had our own ideas but we still depended on each other . Our dad’s favorite song was ( only one life will soon pass but only what’s done for Christ will last ) I am so thankful my 3 siblings passed the test and are with the Lord. For some reason I am still here striving to pass the test.

“ Love my Auntie. Such a generous lady. Always busy making things. She got married at 48 yrs of age. We were so happy to see her happy. As a child, my brothers and I would stay with Aunt Lois while our mom worked. We would have our lunch at her apt during school days. During the summer we would spend all day with Aunt Lois hanging out at the college. She put us to work putting books together that the college was publishing. Us kids had an assembly line putting together pages of books. That was a lot of fun! You will definately be missed by us but we are so happy you are home with Jesus!
