“ *Mama!! I am in awe of you. You are most definitely the toughest lady I know. You fought hard for 7 years and we fought right along side of you. You defied all the odds. You won every body in your nursing homes over with your feisty side and your quick wit. So many of them have told us how special you were to them! Your roommates n neighbors all loved ya too! You will always hold a special place in our hearts, Mama. You are ONE OF A KIND and I am so grateful for all that you taught me. Also, just happy for you to be out of your pain and suffering and back with Dad again because I know how much you missed him!! 💔 Thank you for this life and for staying with us as long as you possibly could! We will miss you forever but you'll always be in our hearts!! 💕*

“Lura was a very special person, who our family loved and held dearly in our hearts. Our children were blessed to have attended her daycare. Lura loved all “her kids”, as she called all her daycare children, and would still send text messages checking in on them and asking how they were doing. I’m grateful to have known her, and I know she will be missed by all of her family and friends, and all of “her kids”. She truly touched all of their lives. May she rest in peace and be reunited with Joe in Heaven ❤️
