“ *Mabel, My Dear Friend, What a lovely service today. You would have enjoyed the "celebration" of your life. Your pall bearers all looked so nice in their blue shirts and with your 3 handsome grandsons participating. Sister Christina honored you with a lovely prayer service and several people spoke including your favorite granddaughter Heather.*

Judy and Mike did a wonderful job of seeing that you had a wonderful tribute on a beautiful sunny day.

I will miss sharing good times together, but you are in a better place now with your sweet hubby. Thanks for all your support thru the years. You will be forever remembered as such a special lady to me and also in my kids and grandkids lives, too.

My heartfelt sympathy & love to all your family, especially Judy, Ben, Mike and their families

Until we meet again, your forever friend,

Lots of Hugs, Mary and Ed Sai

“ My sympathies to all you as you mourn the loss of your beloved mother. She was an amazing lady whom I most admired. She always had such a radiant smile and love to share the latest about her grandchildren. The last time I saw Mabel she was at the Sai's last summer and she had an large envelope of photos of her special family. She truly loved life and had so much to give to those that she touched.

She now will join Roy and visit with my brother, Daniel David Gioletti Agresti, who right nearby their plots.....

She loved life and you could tell in every way! She will be missed by all.
