“ Oh what a homemaker! Gloriann (Alberti) Christian & Jim Cannon’s remembrances bring back memories when Sandra & I moved to Hilmar 46 years ago- I had set up a business meeting with Manuel in the morning but, on arrival , he advised Danny was “on a job” and needed to be included, so rescheduled for evening. ... Madeline commenting: “ for dinner- and bring Sandra!” Manuel & Madeline thereby invited us to dinner at their home every year ... and I thought it was for business- but it was for FAMILY! The second year Martin was 6 months old / Madeline would dote over him all the while she is preparing dinner: mounds of fried chicken + a HAM + vegetables \* mashed potatoes and gravy + a salad+ dessert!!!! Always with a smile on her face & keeping up with various topics Robby (?age 7 or 8 at the time?) or Danny or Manuel and I were talking about...

*A hug and a kiss - we will remember you, always Madeline!*

“ Dearest Madeline I will always remember your bologna sandwiches with lots of mustard, your kool aid and ice tea with lots of sugar, your kool aid popsicle’s and warm baked cookies. They were the best!!! You always considered me as one of your own children and I always considered you my second mom. ❤️ You always introduced me as your 7th child, but I liked to think I was your 6th child, Robbie came years later. 😊 I will miss your shining smile, your giggle laugh, your sense of humor, your hugs, our little talks, how you enjoyed giving Colin a bad time, and I will miss you!! Thank you Madeline for all the years you took good care of me and letting me part of your great family. I have many great memories and I will always treasure them. You will be greatly miss and I will always hold you close to my heart. ❤️  
I will forever love you, Gloriann

“ The earth has lost a precious angel.. She and Manuel were so kind to me when I was a child. Her smile and giggle lit up a room. May she rest in peace with her loved ones who have gone before her.

“ *In Loving Memory of Madeline. She brought warmth and joy wherever she went, and the memories Dave and I shared with her are treasures we will always hold close. Our time together at the cabin with Manuel was filled with laughter, good conversation, and the simple beauty of just being together. Her kindness, humor, and love for family will never be forgotten. Though she is no longer with us, the memories we made will always keep her close in our hearts. Rest peacefully, dear Madeline—you are deeply missed and forever loved. ❤️*

“ *I was so saddened to the news of Mrs. Machado’s passing. My sincere condolences to her entire family. I have many wonderful memories of spending countless hours in and around the Machado home in my teenage years. Among the most memorable are the delicious meals she made, specifically the breakfasts we had upon returning from duck hunting with her son, Manuel. I’m certain that’s where I first tasted linguica! She always made me feel like I was part of the family. I’m sure she was like that with all of her children’s friends because that was who she was. A mom to all who will be missed by all. Once again, my condolences.*
