“ *I will never forget that when we were young, we would eat together as a family when you got home. I will miss you and seeing that blue truck that came in my driveway, and getting a smile on my face, knowing that my older brother came to see me. I am going to miss drinking our espresso coffee, I loved making you filhozes when you would come over, because I know that you loved them. U will always be in my heart forever. U are the best brother that anyone could ask for. I Love you forever and ever. See you later. Rest in Peace.*
