“ *My Manuel we met when you were dressed like a baby. From that day on you were My Manuel and I was your Nickie. We were always together. You showed me what true friendship is. You loved me and accepted me for who I was. As far as I knew in your eyes I could do no wrong. Even though life took us in different directions you were still always there. As you brought us all back together we are reminded about the great times spent with you. Thoughts of you bring laughter and smiles to our hearts. I love you My Manuel. I will always miss you.*

“ I remember when I met Manuel, he was cocky and I loved it. He will always hold a special place in my heart and will be sorely missed. I moved to Humboldt and didn't get to see him so much, but when I came home I would stop in to see him, he was always trying to steal my wife...she too loved him. I will never forget his smile, his laugh, and the way he cared about his friends. I love you brother! UKJ

“ Manual was a good friend of mine. I was sad when I got the call he was not doing good. I left Humboldt right away to come see my good friend. I will always remember that day you went into the clamper's and you got the staff of relief. It sounded like devil was speaking. You would come see me time I was bartending at Sonny's in Oakdale. You be on the look out for me at clamper's just say hello brother.you always had a spot in the to go clamper's and will always have a place in my heart brother. R.I.P. Manual . FLY MY BROTHER FLY.

“ Manuel was my very good friend. He was always up to traveling around with me doing the craziest things. We went rock hunting, turned in recycles, Mexican mall, ran errands together, went on random drives to no where and had many lunches together. I will miss our late night talks and laughing with him. We were nosey neighbors together. He was my Loser, I was his Loser, my rent a husband and I was his rent a wife. I will have a empty spot in my heart for him. He was a very special person. God has a special place for him in heaven . My love, thoughts, and prayers are with his family.
