

Manuella Maria Grego

June 2, 1950 - January 4, 2015

Manuella Maria Grego "Mrs. Penny" was born in New Orleans Louisiana on June 2nd 1950. Her proud parents were Spiro and Maria Pizzalato. Mrs. Penny was the youngest of three siblings Louigie, Angelo, and Steve. In the early 70's while still living in New Orleans she married Joseph Grego and gave birth to her pride and joy Louis Joseph Grego on Sept. 24, 1977. In the early 80's the family headed west to San Jose Ca. where there were countless life long relationships established. During this time Mrs. Penny tried a few careers but it wasn't until she became a Property Manager, Mainly at The French Quarters where she found her calling. And as we all know it was helping people. The smile she had was contagious and she would always go out of here way to give a tenant a break or a stranger a helping hand. Here energetic personality was not only a sign of someone full of spirit but a sign that she valued life and the people in it. Mrs. Penny loved her family with everything she had and her primary goal was to raise her only son Lucky Lou to be a educated, honest trustworthy man. One of Mrs. Penny's proudest moments was when Louis graduated from Sacramento State University with a Business Degree. Mr. Joe, Mrs. Penny, Louie, and of course Joe Joe, the family Chihuahua were inseparable. On any given weekend they would pack up the Cadillac and take a drive out of town to find the nearest gambling hall. Just the four of them headed down the road laughing and talking. They were a very tight family. Mrs. Penny's love and patience were values she instilled in

Louis so that one day he could teach his own children the same values. Her pride and joys were Jacob and Jaelyn her two grandchildren whom she loved with all her heart. In her last days she found peace and tranquility spending time with them.
