“ *I first met Margaret at the First Baptist church in 1970 when we moved to Petaluma looking for a church to attend. Though I had planned on visiting many churches she invited us to her home for lunch and when she said "we have need of thee here" I looked no further. I have never had a friend in the faith closer to me. We have prayed for each other and our families for 52 years. Not many of us are fortunate enough to have the Lord put someone like that in our lives The last time I talked to her she asked why the Lord didn't take her home, she was so ready to go. I told her she was needed here to pray for others and me and God would take her when her prayer warrior job was finished. Her job here is finished. She has now heard the words she has waited so long to hear.. "Well done, thou good and faithful servant"*
