

Margaret Corralejo Jimenez

August 16, 1928 - April 28, 2020

It is with great sadness that we bid Margaret Corralejo Jimenez farewell. After her brief battle with Covid-19, we know she has reached her ultimate place with her Lord. During her wondrous life we rejoiced in having her be a wife, mother, grandmother, great-grandmother, and great-great-grandmother. Born in 1928, in Northridge, CA, she lived her life enjoying the simple things that make us all human. Among her favorite hobbies, she enjoyed sewing, crafts, ceramics, canning, gardening, and reading the bible. Most of all, her favorite pastime was attending church faithfully each Sunday. She was a proud member and founder of Templo Jodan, 655 Jordon Ave., Turlock, CA 95380.

Margaret was preceded in death by her first husband, Ramon Cortez Jimenez, who passed away on April 2, 1989; her second husband, Phillip Lopez Ayala, who passed away on December 18, 2018; and her daughter, Lidia Jimenez, who passed away in 1974. She is survived by her daughters, Ramona Miller of Meadview, AZ, Gloria Morrow of Turlock, CA, Virginia Jobson of Young Harris, GA and Lucy Aguirre of Aptos, CA; her grandchildren: Juan Guy Vasquez, Jina Horton, Monica Morrow, Michael Morrow, Electra Vincent; seven great-grandchildren and four great-great-grandchildren.

Margaret's sincere smile, profound caring, and jovial witticism made it special to us all to be around her. She rejoiced in her relationship with the almighty and while life at times may have been difficult, she always persevered and

had enough of a caring disposition for others through her generosity and prayers. We are all very proud of having the pleasure of knowing her, and will strive to live our lives as fully as she did hers.

Till we meet again mom.

At this time, private services will be held for Margaret's family. She will be laid to rest at a later date at Turlock Memorial Park.

“ *This is the last ride with my mom. We drove to modesto and took the back roads. All the almond trees were in bloom there were acres of orchards. With the prettiest pink blossoms. We Rode in silence amazed at the beauty while playing classical music on the radio.*

“ Mom always knew when Michael was home. I wouldn't bother looking to see if he was in the house. I would just ask mom. Michael would always acknowledge mom when he saw her and would give her a big hug.

“ My Auntie Margaret was my role model of a loving Christian wife. I often thought to myself if she could go through losing her daughter and never giving up on her marriage and never turning her back on our Lord Jesus, then I too could endure this life I've been given. I knew she understood my pain when I lost my daughter & husband. Bud held a special place in his heart for her. She always had a smile on her beautiful face and I loved her laugh. We will all miss you Auntie, but I know you are rejoicing in heaven with your parents, sisters & brother and especially LeeLee & Uncle Ray and my Alexes & Bud. See you on Glories side❤️

“ Margaret Jimenez is my Mother Frances Corralejo oldest sister. A funny memory I have of my Auntie Margaret. We were at small family gathering and as everyone knows I like to take pictures, so just as I was going to take our picture a cousin had walked up and started talking to my Auntie the cousin went on and on about her and her kids and herself and then told Auntie she was so blessed to have beautiful children and then she walked away. My Auntie looked at me and said “who was that”?? I laughed then she laughed. it’s honestly was so funny!! I will miss taking pictures with my Auntie Margaret but thankful I have the memories ❤️
Say hello to my mom 🙏

“ Margaret was always accommodating. She made me feel welcome and in spite of my occasional drunken spells, she was supportive as a familial member. She did not preach to me, nor try and act authoritative. She was kind, good humored and like a supportive friend always and for this I loved her.

“ I have so many fond memories of my mother Margaret. One of the fondest memories I have took place in 1993 she was about 65 years of age. I invited her to join my daughter Electra on a camping trip to Big Sur in California just us girls and she went for it. We set up our own tent and camp for a couple of nights. We had a marvelous time laughing playing cards at night and sleeping together in the tent. During the day we took a hike along the Big Sur River Gorge where we came to a beautiful pool of crystal clear freezing water. Mom loved to swim and surprised me when she went in. She was a trooper. I cherish this memory of her willingness to have fun. There were more memorable traveling trips we had like flying to Minneapolis, MN to visit Electra at her college, flying to Zihuatanejo, Mexico, to join Jan and live on his sailboat for a week and sail along that coast. Traveling to Guanajuato, Mexico to visit the Corralejos on her dads side of the family. We even went to Guadalajara to visit some of her church friends. Traveling with mom on the bus, by plane and on land made me realize how easily she made friends. She liked to talk to everyone she met. She was full of life.

When I think of mom it's like she hasn't died her presence is still with me. Her spirit is within me and i know she is at peace, in a better place I just can't touch her but I feel her powerful love. Her faith in Jesus Christ our lord kept her strong. Rest In Peace my precious mom until we meet again. I will miss you here on earth all the days of my life. Your eldest daughter Ramona Miller

“ *I am sad dearest Mother that I could not be at your viewing on May 8th and cannot be their with other family members tomorrow May 15th to say a final goodbye. I have many tears today and broken hearted that we could not be at your side to comfort you on your last breath and to give you a hug and kiss you on the cheek. I am grateful for the nurse that held your hand at your last breath. I wish I knew her name to thank her for comforting you.*

I am so proud of you Mom for being such a faithful wife to our father Ramon through thick and thin. Being a sweet understanding mother to all her daughters. You have been a faithful servant to your Lord and helped so many people. I am happy you left this world to your paradise in heaven. No more suffering for you just fun and laughter. Mom I always loved that about you, your great laugh and enjoyment of life with family and friends. Templo Jordan will miss you, because you were a rock for all their memberships for many years. You were the strength that kept your daughters together; you were the cornerstone and pillar of strength for all the family Corralejo and Jimenez. Love you Mom Rest in Peace. I will always cherish your memories and all the happy beautiful photos of you. I will miss you forever.

“ I recall a memory of my aunt Margaret.

Back in June of 1980, My mom, Frances, and I drove my old Datsun pick up to Turlock.

We stop by my aunts house to visit.

I believe we where there for about an hour or so.

Well on our way back to Newman, The truck broke down right off of Lander and 99.

My mom suggested I call my aunt Margaret and uncle Ray to see if they could possibly help.

So I went to the phone booth and called my aunt Margaret. Sure enough , within 20 minutes both auntie Margaret and Uncle Ray showed up to help.

While uncle Ray and I worked on the truck to see what the issue was, my aunt Margaret and my mom sat there and must've talked for about an hour and 30 minutes. They never seem to run out of things to talk about. I could not understand what they were talking about, for they were speaking Spanish, and I don't speak Spanish. But whatever it was, they were sure laughing and enjoy each other company like they have not seen each other forever.

Well uncle Ray and I figured out the problem and got the truck up and running. So I gave my aunt and uncle a hug and said goodbye and my mom and I were on our way back to the lovely town we call Newman.

It's a fond memory like that and many others I recall about my aunt Margaret that make me smile and bring tears to my eyes.

All three are gone now but I'll never forget the memories of each of them and what a difference they made in my life.

I Love You Auntie Margaret,

Tell Uncle Ray and My Mom Hi for me.

Love Robert/Bob

“ My beautiful grandmother . She was kind , giving , creative , a servant of the Lord . Her consistent habits of prayer , “doing” , working , serving others is something we can all learn from. She was always there for me when I needed her and loved me even when I was doing things I shouldn't . I will miss her laugh. ❤️

“ I have many fond memories of visiting my Grandma Lucy in Turlock as a young boy. I knew almost every visit I would be seeing my Auntie Margaret, Uncle Raymond, Uncle Ruben and usually several cousins who would be visiting as well. It was a always a warm loving place to be and visit, hear stories, get the best hugs and kisses from my family. Auntie Margaret would grab my face and kiss both cheeks then a hug. As a young boy I always thought these relatives would always be there to visit. I will miss her and cherish the memories ❤️ Condolences to my cousins
