“ *Oh the passage of time - I think the last time I saw Maria was around 1976 - she was just always smiling and always reaching out to engage. I didn't know her well but like all the Aguiars - she struck me as someone who had a very kind and big heart. So very sorry to the entire family for your loss and for the reality that this has not been an easy last few months. Take very good care. Rosemary & Rod*
