“ Dear Mommy,

I remember on my 7th birthday you came home from a long day at work and still took time to bring me home the most beautiful ❤️ heart shaped birthday cake.

You know how much I love red roses (you love purple and lavender roses) and when we bought our new home when I was 14 years old, you waited to see which room I would pick to be mine and surprised me with a red rose bush growing outside my window. You did amazing things like this for all 4 of us kids.

You loved to garden it was your safe haven- you had your pool, porch swing, all your plants, roses, fruits/vegetables and front yard.

You would call me at work and tell me you went to my house because you cut 2 beautiful red roses from your yard put them in a glass and you put a lavender one from your yard as well to represent you in the middle🥰and placed them on my kitchen counter.

Every mothers day I would sneak in your house at 6 am and leave you a dozen lavender roses.💕

Well my work family knows these amazing stories mom so they ordered a bouquet representing that - RED roses with YOU right in the middle and the lavender ribbon wrapped around the vase are your amazing HUGS .

I love you - we all miss you. Dad misses you, all 4 of your kids and your precious grandson misses you👩👧💕👩👧.

*Love,
Caro*
