“ *I want to offer my sympathy to the family of Marilyn. It was wonderful to work with her at Denair Elem. School but most of all being a friend. I can remember the good times we had working with her students and smile. She was a wonderful teacher and I know her students will never forget her. You were very lucky to have her as a wife, mother and grandmother. RIP Marilyn, with no more suffering. You're gone but not forgotten. Louisa Allen Denair, CA.*

“ What a beautiful write up on Marilyn, truly a witness of her faith and love for our Lord and Savior. I just picture her dancing in Heaven, with her mom and dad, and other loved ones. We have all been blessed by her in our lives, and WE WILL see her again when we all get to Heaven. Peace to her memory.

“ In 1986 Mrs. Stapp was my third grade teacher at Denair Elementary School. Though it was many years ago, I have many fond memories of her and her love for her students. Rest in peace Mrs. Stapp.
