

Marjorie Ellen Pittser

September 11, 1942 - June 5, 2010

Our beloved Wife, Mother, Grammy, Sister, Aunt and friend has passed on June 5th 2010, at the age of 67. Her last days were spent at Memorial Hospital in Modesto with her family and friends at her side. Marjorie or Ellen as she was known, was born September 11th 1942 in Merced CA. Ellen was the youngest of a long line of brothers and sisters. She graduated from Merced High School in 1960. She married her husband Kenneth Pittser of 47 years in Reno, Nevada March 31st 1963 before finally settling in Turlock in 1981. From her loving and committed marriage came three children, Keith(deceased), Kimbra, and Klint, and grandchildren, Steven, Ashley, Jade, Jessica, Elle, Kailynn & Adam. Ellen worked in the food industry profession for over 37 years, but her most proud work was that of a loving, providing, caring and selfless home maker for her family. For All of us who had the privilege of knowing and loving Ellen, our hearts will forever be filled with the joy and memories she had brought to all of us. She will forever be remembered and deeply missed, until we are reunited with her in Heaven. Visitation will begin at 10:00AM at Turlock Funeral Home 425 N. Soderquist Rd. “ *Ellen was a wonderful and vibrant person who was full of life until the end. She had the quickest smile and the most caring eyes. It was always a joy to see her. What I will remember most about Ellen is how she would instantly make you feel like the most important person in world as soon as you walked in the room. Thank you for being in my life. Although you go to a far better place, you will be missed.*

“ *I have always loved you, Ellen. You were my favorite Sis-In-Law and I considered you a special friend as well. I am remembering the time John and I came to your home in the corvette. You and I took off in it and left Ken and John at the house...FUN!!! You were always a blast to be with whether in person or in the many games we played together online. I miss you terribly and will always have very special memories of you. Your Sis-in-Law, Josie*

“ Dearest Ellen I miss you... From all the times we spent playing games and talking life, to eating your insanely good bisquits and gravey that no other could even halfway measure up to, to the Laugh and personality you could light up a room with, I take very fond memories and the privilege of knowing you with me forever. I know the world was a happier place with you in it, and it will suffer now with your absence... I feel robbed because I didn't get to spend more time with you :(

Like my own family I couldn't have asked for a better grandmother than you Ellen... I love you so much and wish you were still here. I will see you again in the LAN party in the next world where we will live another adventure.
