

Marjorie Soderstrom

November 14, 1947 - February 23, 2025

Marjorie Soderstrom (1947 - 2025) was born in Turlock to Melvin and Felicia Soderstrom. She attended Washington Grammar School, graduated from Chatom Junior High and Turlock High, attended Biola University, and graduated from Fresno State University later in life. She is predeceased by her parents, sister Marilyn Ward, and brother John Soderstrom. Survivors include her brother Roger Soderstrom and 9 nephews/nieces: Michelle Coon, Marni Ward, Mark Ward, Lori McDonough, Melinda Bailey, Kristen Santos, Stephen Soderstrom, Robin Owen, and Kimberly Seay. Marjorie navigated 77 years of life challenged almost daily by illness. She coped various ways but a special treasure in her life was the joy and peace she experienced from her love for the outdoors and horses. Rodeos and horseback riding on the canal banks were some of her favorite activities. Marj was a Believer with Faith that eternity includes a glorified body with a sound mind! We rejoice today that Marj's new address is at a home in Glory where fears and tears yield to a joy that outshines the sun!

A graveside service will be held at 10:00 a.m. on Tuesday, March 25, 2025 at Turlock Memorial Park.
