Dear Friend Rick and All Family Members, I came upon this notification of Mom's passing while internet inquiring about Ricky, after being a penpal with him during the Vietnam War. I want to send my condolences to you ALL as I feel I can somewhat understand your loss coming from a family oriented family myself. She raised a beautiful family, as I can attest to the credibility of her son Ricky, for the short, but significant time I was able to come to know him during his Vietnam tour. GOD BLESS YOU ALL! Keep enjoying all the precious memories she gave you. With Love, Teakie Fazio, West Babylon, NY

“ *Dear Gary and Ricky: Joe sent me an e-mail a few days ago and told me about your mother's passing. My family and I send our condolences. I've told my mother, Frances, Mary's sister. Frances is fine and just turned 88 on June 15. She was the third daughter with your mother first, Margie second, my mom, then, Emily, and last Hattie. A whole generation of our aunts, uncles, fathers, and mothers are just about gone. I remember them all in the 1940s at the end of WWII. They were a bunch!! They all seemed so united, happy, and active. I remember your father, Uncle Wilfred, the fisherman and baseball coach. He was a neat guy. Linda, my sister, Natalie, and I were afraid of him sometimes because he seemed so grumpy, but he wasn't. I loved your mom and the rest of my Loureiro aunts. I think of them often and miss the good old days when we had all those fun get-togethers on Orange Street. God bless both of you and your families. Cousin Eddie from down in Brazil*
