“ *Mary will always have a little piece of my heart exclamation point I always remember her smiling, being happy and never looking her age! She made me feel special by asking about my son touch, and how he was doing in baseball*

“ *I will always have a little sweet spot in my heart for Mary. I remember her always being happy, never looking her age and smiling an awful lot. She made me feel so special by always asking about my son, Tajz, and how he was doing in baseball. Been to some fun parties with her at Dave and Dorinda's. Made Jesus Christ comfort her family and friends at this time. Julie Starn Cannizzaro*

“ *The death of Mrs. Mary Elizabeth Soiseth is one of the most devastating experiences a family can face. At times, the loss may seem unbearable. Please know that there are those who care and more importantly Psalm 34:18 tells us that "God is near to those that are broken at heart. He is the God of all comfort. My prayers are with you and your family.*

“ *Always enjoyed the times our paths crossed because of family ties. She meant a lot to her two sisters...Helen, my sister-in-law and their little sister, Ruth who was a good friend to my sister. All three will be missed by friends and family. My love to her children and all the little ones she was grandma to. Barbara Wheeler Floyd*
