“ *Matt was an outstanding person. I have done some reflecting on my past. Then I think of the Miles Ct. days. I first met I think he must have been about 9 years old. He asked me if I wanted to play a game of basketball. Let's just say that I am glad we didn't have money on the line. It did not matter that I was 5 or so years older. He beat me so bad, I thought to myself that he probably shot a basket before he ever taking his first steps. Truly an angel, I understand why the lord needed him home. Great young man, one of a kind. Sorry for your loss Jeff, Dave, and Pat, when I heard about this it really hurt*

Sincerely, Rafael lara

“ I had the honor of knowing matt. We became good friends in 2002 while attending merced community college together. Matt was an awesome guy with a heart that was totally three sizes too big. He was the type of guy that would give you the shirt off his back if you needed it. I am honored to have called him my friend! I am so sorry for your loss. I know that we will see matt again someday when we leave this place to be with the lord! Love, Tiffany Fenters
