“ *My dearest cousin Mathew, I cannot think back to childhood without your face coming to memory... You were so much more to me than just my cousin...You were my first friend...my soulmate as a kid... I don't remember a summer without you in it... I will always treasure the memories we made together ... I love you dear cousin... No more pain, no more sorrows...I know because of your faith, your in heavens arms now... Finally able to be with the ones you've missed for so long... Rest in peace "Cuz". I will "never" forget your sweet spirit...Bonnie*
