“ Dear Jerry and Jane,
I was in Merced this past week to share Thanksgiving Dinner with Mother who lives at the Hampshire. Tim handed me the newspaper with Michael's obituary. I was so very saddened to read about his death.
Since returning home to GV, I took the time to read the wonderful comments made by family and friends, and to "see" Michael in the many photos posted. He was so loved and respected ... so many valued qualities and attributes that came together to give Michael that special extra edge that endeared him to so many.
Words seem so inadequate at times like this. I can only try to imagine the huge hole his passing leaves in your hearts and lives. Having a baby has got to be a peak moment in one's life. Losing that baby or child (as a youth or grown son or daughter) has got to be incredibly painful, bringing with it almost unbearable grief. My heart is heavy for and with you.
Please know you are in my daily prayers. I send you tons of Light and Love to guide, strengthen, support and comfort, and to help see you through this time of recovery and healing.
A huge, long hug to you and your family.
Deepest sympathy,
Cydne (Grimsby) aka Sidney Barrett
